- \*1. This nursing or caregiving requirement applies only when the parent or guardian is providing care to a cohabiting family member.
- \*2. If the reason for enrollment falls under both "Illness/Disability (©)" and "Providing Nursing or Caregiving Support (®)"—for example, when the mother is ill and the father provides care—and both certificates are to be completed by the same physician, the ① form may be submitted with only the sections to be completed by the guardian (Sections ① and ③), provided it is submitted together with the © form certified by the physician. However, if the © form includes a statement by the physician indicating that nursing or caregiving is not required, the application will not be considered as meeting the criteria for "Providing Nursing or Caregiving Support (D)."
