Notice Regarding the Dispatch of Certificates of Change of Address and Registered Family Home Address Following Land Exchange Disposition

Following the land exchange disposition for the Jōsui Specific Land Readjustment Project, announced on 10 October 2025, the addresses of residents living in the relevant area will change from Saturday, 11 October 2025.

Due to this large-scale address change, documentation proving your new address will be required for various address change procedures. Therefore, we are enclosing a 'Certificate of Address Change Due to Land Exchange Disposition'. Please use this as proof of your new address when updating your details with the necessary authorities (such as the Legal Affairs Bureau, police station, financial institutions, etc.).

Some authorities may return the original document upon request. For details, please consult the relevant office.
